St. Joseph “Sneak Peek Registration” 2017-18

On Thursday August 31st between 9:00 a.m. – 4:00 p.m. we are inviting all parents/guardians to come IN PERSON to complete your child’s First Day of School information package. The package will contain the following important registration information and is applicable to ALL students from Kindergarten to Grade 8:

- Student Verification Forms (contains all contact and emergency contact information)
- Emergency School Dismissal and/or School Bus Cancellation procedures
- School Council Nomination Form
- Student Insurance Information
- Child’s teacher and classroom assignment

All other paperwork will be completed electronically through School Cash Online. The online forms will be accessible after August 1st, 2017. You will receive a reminder notice at the beginning of August. Completing paperwork online is new this year, and will significantly reduce the amount of time required to register your child in person.

The expectation for this day is that parents/ guardians complete this paperwork on site. The point of Sneak Peek is to reduce the amount of incomplete/ late paperwork as part of our school year start up. Please allow approximately 10 minutes to complete this process in person (provided you have completed all other paperwork online). There will be tables, chairs, and computers available so all forms can be completed on site and returned immediately. The school agenda will be paid for online if you are able to cover this cost. We will not be accepting cash at our Sneak Peek registration. Your child’s teacher and classroom assignment will be released after all paperwork is completed on site.

Registration packages will only be provided to the legal guardian or parent. Please respect that we need to abide by privacy laws. Furthermore, the purpose of this day is to ensure accurate and timely collection of critical information for all students.

If you are able to complete your family package at Sneak Peek, your child(ren) will go directly to their classroom on the first day of school, Tuesday, September 5th. Otherwise, your child(ren) will be asked to go to the gym on the first day of school and we will provide them with their class assignment information and registration forms to take home on this day.

We look forward to seeing you on August 31st at our Sneak Peek registration. In the meantime, enjoy your summer!

Sincerely,

Mrs. Tonya Reesor

Principal
